
Fresh Start Update

Issue 12

December 2010

It's been an incredibly busy year as we prepared for the implementation of the Fresh Start package. Thank you for your continued support and interest, and the part that many of you have played in the development and delivery of services to help young offenders get their lives back on track.

The third round of the Innovation Fund opens on 7 February 2011, and the application form and guideline will be available on our website by the end of January.

We'd like to wish you and your families a safe and happy festive season, and hope you find time to relax over the break.
